

## A Special Offering for Non-Profits and Government

- Innovative, asset-based, and scientifically valid and reliable assessment...
- Identifies unconscious patterns around race, sexual orientation, religion, class, gender, disability, and culture...
- And clarifies personal and organizational goals and support needs...
- For groups and individuals.

***Create thriving and just lives and organizations that honor, celebrate, and unleash the power of our differences.***

### FIVE FLEXIBLE COMPONENTS

- 1. A one-hour, online introduction to The Power of Difference Model (PDM)** that gives communities (groups of any size) a common framework and language (\$200).
- 2. Two FREE Individual Power of Difference Assessments (PDAs)** with one-on-one consultations for key decision makers (\$400 value). Click here for more information on the PDA and PDM: <https://thesum.org/the-power-of-difference-model-in-depth>
- 3. Online access for any number of community members to take the PDA** as part of a group result (\$40 per person–this fee is not required if an individual has a one-on-one consultation).
- 4. Individual online consultations regarding personal results.** Includes the cost of #3. Some communities cover the cost for individuals, others subsidize the cost, still others leave this cost to individuals (special pricing of \$120 per person).
- 5. A one-hour, online group result presentation** which describes an aggregation of the community's results: assets, limitations, learning edges, and recommendations (\$300)

*"The Sum gave our team the communication tools, shared language, cultural awareness, and vision that helped us to bring our reality in line with our intentions."*
